

Feedback for RRMP Statistical worksheets [Formative]

Tutor completing formative feedback: Karen Outram	Student number: Ying Chan
Details of any extensions etc:	Submission Attempt: Formative

Thank you for submitting your formative.

I can see that you have thoroughly investigated the questions in relation to the formative.

You have rationalised the questions for the 'stats' exercises in both numerical and bar chart form. You have clearly read the formative exercises and this piece of work will be useful for your e-portfolio.

Your work is easy to navigate and professional in its context.

With best wishes

Karen
